## Training Announcement

### Violations and Enforcement in the Floodplain

Marysville, KS

March 16, 2016

8:30 a.m. - 12:30 p.m.

The Kansas department of Agriculture will host this seminar on violations and enforcement issues. The seminar is open to floodplain managers from Kansas and Nebraska and also anyone else interested in floodplain Management. This course has been approved for 3.5 hours continued education credit for Certified Floodplain Managers.

Steve Samuelson from State of Kansas will provide instruction with assistance from Chuck Chase for State of Nebraska. Attend this seminar to learn:

- What constitutes a violation?
- Steps of the enforcement process.
- Record keeping for violations.
- Qualities of a good violation notice.
- Taking a case to court.

Please use the attached form to register for this FREE training. Class size is limited to 25 and will be on a first come basis. Students will be notified of the class address and other information after registration. Please direct questions and registration forms to:
